FY 2023 BUDGET FAST FACTS

Excellence • Community • Integrity • Service

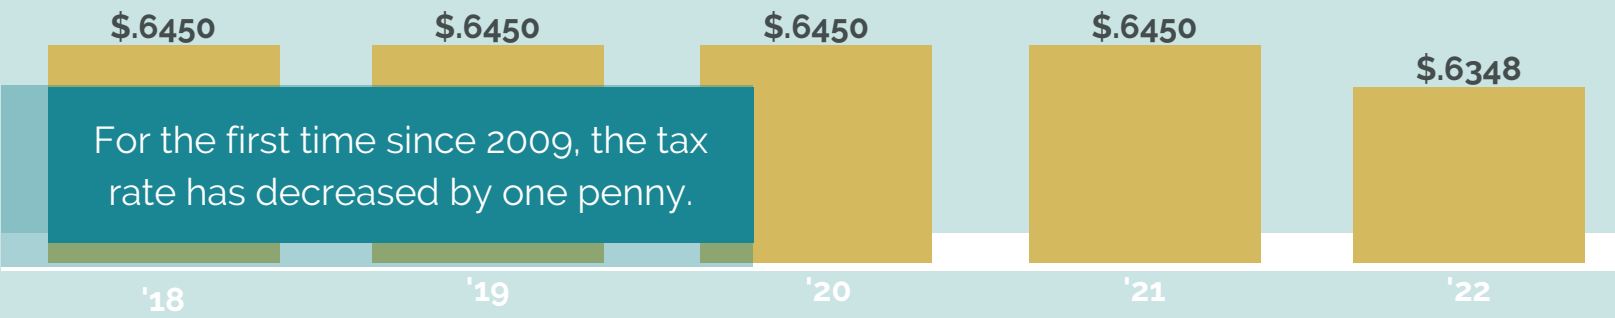

While decreasing the tax rate by one penny, the City is dedicated to operating within its core values and is determined to provide excellent public safety, parks, and infrastructure. Growth is occurring at a rapid pace and the tax rate established ensures the high level of service residents have come to expect is maintained in the years ahead.

Population Count by Year

Growth is increasing at approximately 25% per year!

Total Tax Rate

For the first time since 2009, the tax rate has decreased by one penny.

Did you know? Only 27% of your property taxes go to the City of Celina. These funds are distributed to multiple departments to help fund operations.
